

Our approach to materials and finishes is straightforward:

Select beautiful and durable materials that make sense for public spaces, offer them in a flexible range of neutrals and colors, and provide high quality finishes that bring out the natural character of the materials. Our offer has been curated with these principles in mind, and with sensitivity to their environmental impact.

Wood & Veneers

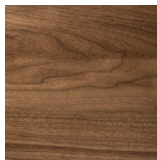

Clear Over Ash
WCA

Grey Over Ash
WGA

Oak Over Ash
WOA

Clear Over Walnut
WCW

Walnut Over Ash
WWA

Navy Painted Wood
WNP

Memo finishes on solid wood and wood veneer are created using a two-step conversion varnish, formulated to withstand the wear and tear of commercial interiors. They are applied using a combination of hand rubbed and spray methods to allow the best expression and preservation of the visual characteristics and warmth of wood.

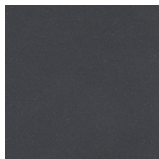

Metal Powder Coat

Light Gray Texture
MLG

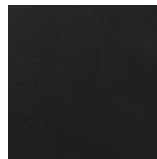

Silver Metallic Gloss
MSM

Steel Gray Gloss
MSG

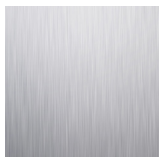

Med Bronze Gloss
MMB

Black Texture
MBT

Powder coating offers a proven and durable approach to finishing metal components that is ideal for commercial interiors, and environmentally considerate. Memo offers a selection of warm and cool metallic neutrals in smooth and textured varieties, chosen to enhance the integrity of metal surfaces and thoughtfully complement adjacent materials and finishes.

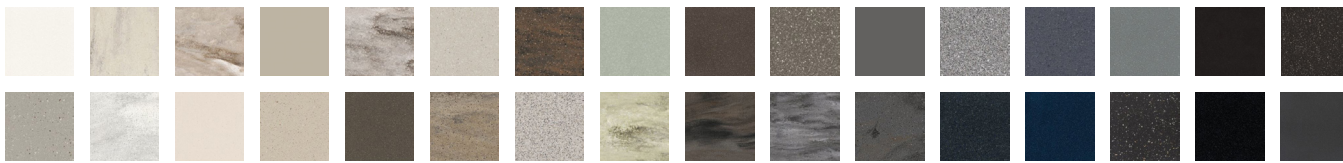

Stainless Steel

Brushed Stainless
Steel – MSS

Brushed stainless steel is available on select metal components. Our stainless is a 200 series stainless, with a #4 brushed finished, and has been selected for indoor applications in commercial interiors.

Solid Surface

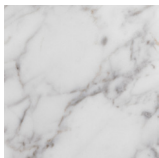

Consult our price list
for specific colors.

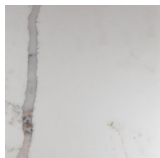

Memo offers all Corian solid surface products for most* areas and components that demand exceptional durability and cleaning. Corian is an Acrylic-Aluminum composite that provides a highly resilient, seamless surface. To see the full Corian color offering visit their website. For a full list of all graded Corian products, please consult our pricelist.

*Array Sink Stations are currently only available in the following Corian Group 1 finishes: Bisque, Bone, Cameo White, Glacier White, and Vanilla.

Stone & Quartz

White Grey Marble
RWM

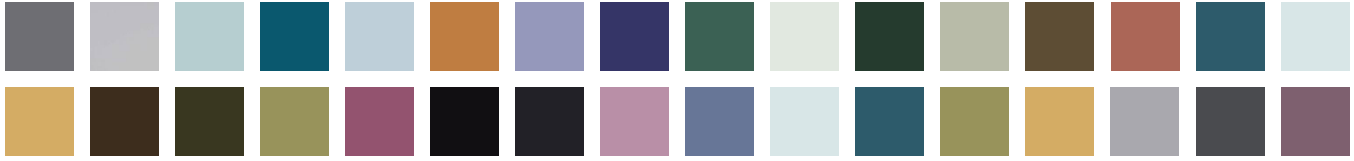

Valente Pearl
Quartz – RVQ

Black Portoro
Quartz –RPQ

Stone and quartz materials are offered as durable, natural alternatives to solid surface. Smooth in texture and rich in depth and pattern, our stone and quartz are procured from premium resources and suppliers, and available in dark and light options. The characteristics of stone create a natural diversity of pattern and color, thus our materials will vary accordingly.

Laminates

Consult our pricelist for specific laminates.

Memo products with laminate include any Standard grade selections from our partners **Wilsonart** and **Formica**. For a full list of all Standard grade laminates, please consult our pricelist. For specifications outside of this offer or higher grade selections, please contact our customer service team for pricing.

Textiles

Consult our pricelist for specific textiles.

Memo has partnered with **Maharam** to offer graded-in textiles. Maharam provides a broad range of stunning and long-lasting commercial products, and their approach to design, quality, and customer relationships aligns with our values. Maharam's complete textiles portfolio is available on all Memo products, including high-performance and environmentally sensitive solutions that are optimal for public space. For a full list of Maharam textiles and prices, please consult our **price list**. Memo also supports COM specifications; for inquiries regarding COM, please contact our customer service team.
