

Candy

Designed by Carole Baijings, 2025

Half Round End Unit CB01-03-EN-180-PBX

A modular lounge system with sweeping straight, curved, and end segments.

Depth	Width	Height	Seat Depth	Seat Height
34"	68"	31"	21"	18.5"

Features

- Segments can be joined to form continuous runs.
- Concave and convex styles in various sizes, create inviting curves and soft enclosures
- All styles fully upholstered for true modularity and future reconfiguration.
- Concealed ganging hardware ensures units stay together and secure.
- Seat/Back assemblies install sequentially, allowing frames to be easily joined, leveled and wired.
- Finished back option for away from wall installations.
- Plinth base and/or backs allows for optional power integration.
- Plinth and back in range of Laminates or Veneer.
- Foam and elastic suspension for both instant and long-lasting comfort.
- Easy to access clean-out at area where seat and back converge.
- Component configuration and stitching allow for multiple (seat/back) textiles within single unit.
- Integrated platform table options in four shapes, provide visual continuity with plinths.

Options
