Features

- Straight, Wedge, and Corner units allow for wide range of setting types.
- Standard solid wood Plinth provides a warm and crafted furniture feel.
- 14" modules in 1,2,3,4 or 5 unit SKUs result in efficient linear foot pricing.
- Detailed and finished back allows for use in open areas where all sides are exposed.
- 19" seat height ideal for dining or working applications.
- Angled back prevents the need for additional comfort items such as throw pillows or bolsters.
- Primary language of curved shapes is welcoming and invites users into settings.
- Split back design allows for different textiles on seat and back.
- Clean-out between seat and back for easy cleaning.
- Crease between modules only 1.5" deep to prevent dirt build up.
- Strong and supportive structure within back allows natural perching when in open space.
