Finishes

Memo offers a range of proprietary colors and finishes on select materials, as well as support for a broad range of open line laminates and solid surface. Our finishes have been curated to offer a foundation of essential base neutrals, to which accents and stronger colors can be added.

Memo offers finish and pattern selections in the following materials:

Forbo Furniture Linoleum

Memo offers Forbo furniture-grade linoleum on select products. Forbo is a durable surface material, available in a dynamic range of colors. Derived from solidified Linseed Oil and other natural fillers such as cork and wood dust, Forbo is a sustainable and resilient surface choice.

Metal Powder Coat

Our powder coats are applied to both steel and aluminum, and are available in textured and smooth finishes. Powder coating is extremely durable and emits zero pollutants once cured.

Natural Stone

Memo offers natural stone on select table and horizontal surface tops. Our stone is hand selected from the highest quality slabs however natural variances will occur from product to product.

Solid Surface

Memo offers Corian and Wilsonart solid surface options on certain products. Solid Surface, is a non-porous high durability product that is stain resistant, easy to clean, and easily repairable.

Wood & Veneer

Our products utilize both solid wood and wood veneer, and are offered in either Ash, Beech or Walnut depending on the product. Products with edge profiles will include a matching wood edge. Wood products are finished in a resilient, long lasting, conversion varnish.
