Terms of Sale

Pricing Policy

All prices shown for products and accessories are manufacturer's suggested list price. Prices shown do not include freight, surcharges, appropriate taxes, crating (if applicable), storage, or installation charges. Memo reserves the right to amend price lists, change designs, and discontinue or add models without prior notice. Price list of latest date supersedes and cancels all previous lists. All orders accepted are subject to prices upon receipt of order.

Payment Terms

Except as otherwise specified, all orders require a 50% deposit with the balance due with thirty (30) days from the invoice date. All payments are payable in U.S. dollars. Lead times start after the receipt of deposit. Payments not made by the due date may incur, at the sole discretion of Memo, a late payment service charge of 1.5% per month. All payments and deposits are non-refundable.

Changes and Cancellations

Customers will receive a written confirmation of pricing, credit terms and estimated completion date. Changes to orders or cancellations made after production has begun will carry extra charges based on expenses incurred.

Shipping

Standard cartoning and standard surface freight to any point within the 48 contiguous United States is included in Memo quotes as a separate charge independent of product price. For shipments to Alaska, Hawaii and International destinations, additional shipping and handling charges will apply. Orders are shipped cartoned as standard. If crating is requested or required, additional charges will apply and a custom quote will be provided. Service add-ons for freight will also include additional charges as follows:

Gate Lift : \$125 NET

Residential Delivery : \$150 NET

Delivery Appointment in Advance: \$100 NET

Any additional freight charges will be provided at the time of quote. From time to time, market conditions for fuel and/or labor may result in freight surcharges, beyond our standard rates. In these cases, surcharges will be indicated on all quotes.

Freight Claims

Product is shipped FOB Factory, freight prepaid and allowed via truck. The title of goods changes to the purchaser when merchandise leaves Memo's dock. All shipments are transferred to the transportation company in good condition.

Receiver and/or specifier are required to inspect cartons and product upon receipt and note the condition and any damage or shortage on the Bill of Lading upon delivery. Receiver and or specifier are required to notify Memo and the carrier of evident damage or product shortages at time of delivery and request an inspection. Failure to report evident damage or product shortages within (3) business days of delivery will be considered total and full acceptance of goods as is. In the case of shipping damage, the receiver and/or specifier is to provide Memo with photographs of the damaged carton/packaging and goods. Photographs are required for Memo to process and award if approved, any claims for recovery. Shipping cartons and packaging should be retained for carrier inspection and the damaged product should be kept in the receiving location. If the freight carrier will not perform the inspection, receiver and/or specifier should prepare an affidavit; noting that the freight company refused to comply with an inspection - citing date and time.

Any concealed damage claims against Memo for apparent damages must be made by the purchaser and or specifier in writing within five (5) business days of delivery, including a copy of the BOL and photographs of the carton/ packaging and damaged goods. Failure to notify Memo within 5 business days of receipt shall constitute acceptance of the product and waiver of any apparent damages resulting in replacement and or repair of damaged goods being billed to the purchaser.

Any relevant damage or shortages to blanket wrapped shipments must be noted on the Bill of Lading at the time of delivery.

Custom Requests

Requests to modify existing products (Modifications) or to produce ground-up solutions (Specials) should be submitted to our customer service group, at which time they will be assessed and submitted for design and engineering approval. All custom requests will elicit a receipt and a response will be provided within 48 hours of receipt. Upon approval, a price and lead-time quote will be generated and provided for customer review and acceptance.

10 Year Warranty

Memo Furniture warrants its products, to the original user and for the original purpose, to be free of defects in design, material and workmanship, given normal use and care for a period of ten (10) years, from date of delivery. This warranty does not include damage from accident, alteration, misuse, normal wear and tear, transportation or improper installation and maintenance.

During the warranty period, Memo Furniture, at its option, will repair or replace any product which, upon inspection by Memo Furniture or its designated representative, is deemed to be defective in materials or workmanship and is covered by this warranty.

This warranty does not apply to defects, wear, or failures, in components not manufactured by Memo Furniture, including but not limited to textiles, leathers, casters, and electronic components. In these cases, the warranty period provided by the supplier of the component will apply. The liability of Memo Furniture is limited to furnishing new parts as may be necessary to replace any item that may prove to be defective in material or workmanship. Memo Furniture will make every effort to replace parts if they are available from the supplier of those parts. We will not assume liability for charges for labor, consequential expenses or damages incurred.

Approvals by Memo to use COM or COL textiles refer to our ability to apply and execute said material on our products only and do not include durability, cleanability, suitability, and wear. Appropriate specification of any textile or leather is the sole responsibility of the specifier.

Normal aging and wear of any COM, COL, or Graded In, woven and non-woven upholstery are exempt from this warranty. Please check with the textile manufacturer for their warranty and appropriate cleaning instructions.

Due to natural variations, in which Memo Furniture has no control, this warranty does not extend to color, grain, texture or the durability or suitability of any exterior surface coatings or treatments.

In addition to our standard furniture offering, Memo Furniture also manufactures Custom Product Solutions for specific needs. Custom Product Solutions are warranted for a period of one (1) year against defects in materials and workmanship.

This warranty is void in cases of damage in transit, negligence, abuse, abnormal usage, misuse, accidents, and improper cleaning and maintenance.

All other warranties, expressed or implied, are excluded. Memo Furniture shall not be liable for incidental or consequential damages of any sort.

Memo is committed to the complete satisfaction of our customers with our products and performance. If a problem arises with a Memo product after the expiration of the warranty period, Memo will exercise its best efforts to achieve your resolution in a manner that is fair to all concerned.

If you have any questions or wish to file a claim against this warranty, please contact us at: service@memofurniture.com

Customer Service

Memo's Customer Service Group is trained to assist with quotes, orders, custom requests, product details, warranty inquiries, and to answer general questions.

We can be reached Monday through Friday, 8:00 am – 5:00 pm Pacific Time, directly via email at service@memofurniture.com

Inquiries received after-hours via voicemail or email will receive a response before the close of business on the following business day.

Please visit www.memofurniture.com for answers to most questions including product prices, specifications, photos, SketchUp and Revit files, and marketing material.

Please visit our quote tool <https://staging-quotes.memofurniture.com> for 24/7 live access to quotes and our configurator. Additionally, a local sales representative can assist you further. Contact names and numbers are also available on our website.

Finishes

Memo offers a range of proprietary colors and finishes on select materials, as well as support for a broad range of open line laminates and solid surface. Our finishes have been curated to offer a foundation of essential base neutrals, to which accents and stronger colors can be added.

Memo offers finish and pattern selections in the following materials:

Forbo Furniture Linoleum

Memo offers Forbo furniture-grade linoleum on select products. Forbo is a durable surface material, available in a dynamic range of colors. Derived from solidified Linseed Oil and other natural fillers such as cork and wood dust, Forbo is a sustainable and resilient surface choice.

Metal Powder Coat

Our powder coats are applied to both steel and aluminum, and are available in textured and smooth finishes. Powder coating is extremely durable and emits zero pollutants once cured.

Natural Stone

Memo offers natural stone on select table and horizontal surface tops. Our stone is hand selected from the highest quality slabs however natural variances will occur from product to product.

Solid Surface

Memo offers Natural Cork and Wilsonart solid surface options on certain products. Solid Surface is a non-porous high durability product that is stain resistant, easy to clean, and easily repairable. Natural Cork is a lightweight and sustainable material known for its durability and natural insulation.

Wood & Veneer

Our products utilize both solid wood and wood veneer, and are offered in either Ash, Beech or Walnut depending on the product. Products with edge profiles will include a matching wood edge. Wood products are finished in a resilient, long lasting, conversion varnish.

Textiles

Graded-in Textiles

Memo has partnered with Camira, Designtex, Kvadrat, and Maharam to offer graded-in textiles. All graded-in textiles are listed by Pattern Name on page 77 and by Grading Group on page 78. Our Grading Groups and their LIST prices per yard are outlined below. Published product prices, including the cost of Graded-in Textiles, have been calculated by multiplying by the price per yard figures below by the yardage requirements indicated on a given product page.

Grading Group	LIST Price per Yard
1	53
2	64
3	75
4	84
5	95
6	109
7	126
8	144
9	165
10	193
11	228
12	263
13	315
14	389
15	463

Memo is glad to grade in textiles from suppliers other than Camira, Designtex, Kvadrat, and Maharam per customer requests. A grading fee of \$200 NET per pattern, per product, will apply in such cases. Please contact us to submit grading requests.

When specifying graded-in textiles the projected completion date of your order may exceed our normal lead times due to constraints of the textile supplier. In such instances, Memo will promptly communicate such delays and advise on adjusted lead times.

Textiles are subject to the quality and shipping standards of the provider. Memo assumes no responsibility for defects, color inaccuracies, shortages, wear, or performance of textiles.

Ordering a Textile Sample

Samples can be ordered by visiting the textile provider's website.

Textiles

Customer's Own Material (COM)

While we recommend selecting from our graded-in partners for the most streamlined process, we also provide the option to use COM. Memo, however, reserves the right to reject textiles which are unsuitable for upholstery on our products. This may be due to inadequate textile weight or unique elastic qualities which impact the integrity of upholstery on our products.

To select fabric outside of the graded-in fabric program, a few steps are required. Memo provides the total yardage for each product on its product spec sheets and pricelist reference pages. These published yardage figures are based on the application conditions of the cutting pattern for each product as well as managing quality issues. Certain textiles, depending on their width and/or repeat, may require additional yardage beyond the figures in our pricing pages. To calculate additional yardage, see our guidelines on page 11. Memo will also provide yardage requirements upon receipt of an order.

Upon receipt of the textile, Memo will immediately advise if flaws or deficiencies in the order are discovered. Memo assumes no responsibility for defects, color inaccuracies, shortages, wear, or sub-standard performance of the specified textiles.

Note that Memo will dispose of excess upholstery material at the time of shipment unless expressly requested to return it with the product shipment.

Customer's Own Leather (COL)

Please contact our customer service group at info@memofurniture.com

Textiles

Delivery of Customer's Own Material (COM)

Customers are responsible for ensuring delivery of COM fabric to Memo. Orders for COM-upholstered products will be scheduled into production upon receipt of all COM and swatches. Please work with our customer service group to procure written confirmation of textile supplier ship dates to ensure the best possible lead time. Since shipment of COM orders depends upon textile availability, lead times may vary.

When supplying COM textiles to Memo, please include the following info:

Textile supplier

Pattern name and number

Color name and number

A representative fabric swatch for identification purposes with face side marked

Any nonstandard treatments applied to the fabric

Any additional documentation

All COM or COL must be sent prepaid to the following address and tagged as follows:

Kaas Tailored c/o Memo Furniture

13000 Beverly Park Road, Suite A

Mukilteo, WA 98275

Attn: Receiving Department

Dealer name

P.O. #

Order code # (for each fabric)

Textiles

Order Requirements for Customer's Own Material (COM)

Memo reserves the right to reject textiles or materials. Textiles requiring secondary backing or coatings should be treated prior to shipping to Memo. All yardage figures listed in Memo product spec sheets and pricelist reference pages are based on at least 54" Wide, Plain Fabric, Standard Cut.

Increases for Textile Width and/or Repeat

In the event that COM textile is both less than 54" wide and also has a repeat, add both of the two increases shown below. For textiles that require matching (stripes, plaids, prints, pattern repeats) it is Memo's policy to match all pattern repeats, stripes, prints or plaids unless specified 'No Matching Required' on purchase order.

Fabric Bolts Less than 54" Wide

Less than 54" wide	Add 08%
Less than 50" wide	Add 13%
Less than 48" wide	Add 20%
Less than 45" wide	Add 50%
Less than 36" wide	Add 60%

Fabrics with Repeats

Repeat 7" & less	Add 11%
Repeat 13" & less	Add 18%
Repeat 21" & less	Add 21%
Repeat 27" & less	Add 24%
Repeat more than 27"	Add 25%

Order Requirements for Customer's Own Leather (COL)

COL orders are based on an average hide size of 45 square feet of usable leather and 19 feet per yard. Due to shape and quality issues with some leather, additional hides may be required after receipt of COL. Ship full hides only.

To convert COM yardage requirements to COL square footage and number of hides, multiply the COM yardage by 19.

Example: 5 yards x 19 = 95 square feet.
