

Penna

Designed by Studio Gorm, 2019

**Lounge SG01-01**

A wood and fabric lounge chair notable for its relaxed gesture, organic form, and honest approach to materials.

Depth	Width	Height	Seat Width	Seat Height
28.5"	32"	32.5"	24"	17"

Features

- Flexible foam and polypropylene back moves with the body and supports multiple postures.
- Molded seat shell provides comfort through contouring, allowing for a thin profile and efficient use of materials.
- Generous seat width allows for a wide range of user sizes and positions.
- Separate surface elements allow for different textile specifications on seat and back.
- Light weight of 17 lbs. facilitates close-proximity or long-distance moving.
- Resilient finishes provide longevity for vivid color, texture, and material protection within commercial applications.
- Solid wood frame using traditional joinery methods ensures durability.

Options

Multiple textiles: seat and back textiles can be specified separately.

Ash or Walnut wood species
