

# Array

Designed by George Simons, 2018

- Drawer Module - Single      GS02-D1
- Drawer Module - Double    GS02-D2
- Drawer Module - Triple     GS02-D3

**Drawer Module - Single** GS02-D1 / **Double** GS02-D2 / **Triple** GS02-D3

A simple and functional modular casework system designed to allow consistency of lines, forms, and details across a broad range of standard and custom configurations.

Depth	Width	Height	
20.75"	23.5"	19.25"	- Single
20.75"	46.25"	19.25"	- Double
20.75"	70"	19.25"	- Triple

**Features**

- Resilient solid surface tops
- Delineated inner and outer cases allow material layering
- Open-line laminates for outer case wrap and drawers
- Flush-mount hanging system maximizes space
- Soft-close bottom mounted slides provide quiet operation
- Inset drawers ensure clean lines and detailing

**Options**

- Bow, Tab, or Straight pulls
- Drawer liners
- Veneer outer wrap
- Veneer drawers

**Specifiable Materials**

- Laminates: Open line HPL
- Pulls: Brushed nickel
- Solid surface: Corian
- Wood veneer: Catalyzed Lacquer over Ash or Walnut, Stain

**Colors and Finishes**

Please see our Finishes Palette online to review actual swatches, specs, and to order samples → Memo Finishes Page

**Content and Construction**

Carcass and case: Particle board core with Melamine face  
Construction: Tab and slot joinery  
Fronts and case wrap: Particle board core with HPL or veneer face  
Mounting: Extruded French cleat  
Tops: Solid surface, machined and seamed

**Testing**

Memo products are designed to meet the requirements of the BIFMA test protocol and are also subject to additional performance requirements in order to withstand the rigors of commercial interiors.

For specific testing information, please contact us at [info@memofurniture.com](mailto:info@memofurniture.com).

**Environmental**

For inquiries regarding Greenguard, MBDC, LEED, and LBC, please contact us at [info@memofurniture.com](mailto:info@memofurniture.com).

**Notes**

- Case wrap can be specified as full, open-left, open-right, or open-both, depending on configuration. Specification occurs during quote process.
- Custom sizes available upon request. Subject to price increase.
- Standard edge banding is PVC. Non-PVC options can be procured at customer request and subject to upcharges.
- Designed and made in Seattle, Washington, USA.
