Lounge ST01-01

A wood and fabric lounge chair notable for its pillow-like cushions, curved slat arms, and simple composition.

Depth	Width	Height	Seat Width	Seat Height
32"	36"	32"	21"	17.75"

Features

- Abundant use of flexible foam configured into pillow-cushions provides physical and emotional comfort.
- Steam-bent solid wood arms provide differentiated gesture and structural pillow support.
- Generous seat width allows for a wide range of user sizes and positions.
- Separate cushions allow for different textile specifications on seat and back.
- Sewn-in straps secure cushions in place and prevent unintended removal
- Resilient finishes provide longevity for vivid color, texture, and material protection within commercial applications.
- Solid wood frame using traditional joinery methods and metal bracing ensure durability.
